Mrs. W. T. Bailey went to St. Louis Sunday evening to remain a few weeks for treatment.

Eleazor Williamson of Cassville and Mrs. Lucella Lloyd of near Shell Knob were married Tuesday. They are two of Barry county's esteemed and respected citizens.

Fire destroyed the farm residence on Alf Reed's place about four miles south of town about noon Monday. The fire originated from a defective flue. Gene Thomas, who was living on the farm succeeded in saving most of the household goods. There was no insurance on the property.

The Cassville school which closes April 21 has a class of nine graduates who will be: Misses Nellie Sherwood, Jane Hessee, Lois Chandler, Jessie McGinnis, Florence George, Ima White and Messrs. Maurice Wear, Willie Bryant and Park Stubblefield.

POPE PIUS NEAR DEATH. PHYSICIAN SAYS

OZARK BERRY PROSPECTS

A Lighter Crop Expected Than Produced Last Year.

Monett, Mo., March 14.—The regular quarterly meeting of the Ozark Fruit Growers Assn. was held here Tuesday. Capt. Lincoln, president, was ill and could not attend and Vice President Beal acted in his stead. P. A. Rogers, general manager, was not present. The attendance was not large.

The strawberry outlook was discussed freely and from the reports of those present the crop this season in the Ozarks will be short. The acreage generally is about the same as last year, but the rows are very light. Many fields are spotted. The drought last summer and the severe cold weather of the winter of 1911-1912 are the causes of the thin rows. The plants are in excellent condition and rooted and the berries are expected to be of good quality. The ventilated Chattanooga or American full quart crate will be used extensively this year.

There will be some Leslie wine quarts used, but it is believed not many. The Leslie full quart will also be used by many associations. The season is about on time and shipping in carlots is expected to commence about May 10.

Three representatives of the Neosho Commercial Club, Neosho, Mo., were present and extended an invitation to the O. F. G. A. to make their permanent headquarters at Neosho. They offered the association free rent. A motion made and seconded to have the board of directors entertain the proposition and to report at the next meeting was carried. At the request of the Neosho Commercial Club the O. F. G. A. will hold their September meeting in Neosho.

Quite lengthy discussions relating to the insurgent movement were given. From the talks made Tuesday, it would appear that this movement is causing no little concern to the O. F. G. A. The new Southwest Missouri Fruit Growers' Union which was organized this winter now has 7 associations affiliated with it some of which were in the O. F. G. A. last season. Many representatives present were asked regarding the feeling in their district relating to this insurgent movement. Many replies were to the effect that their district was solid for the Ozarks, others reported some uneasiness. The movements of the new association is watched with much interest. Both the O. F. G. A. and the association are said to have been working very hard during the winter. If the new association makes good this season and from present indications this promises to be a good year for strawberries, it is believed by many that this may have the effect of increasing their membership.—K. C. Packer.

BRAD'S BIT O' VERSE

BY J. C. BRADSHAW

COME OUT

Come out of the country of gloom and of wailing, quit loading your heart till it weighs half a ton; come out of the land of despair and of failing, get into the habit of having some fun. Don't grieve about things that have tripped you and downed you, don't waste your good time at the past looking back; find beauty and gladness in all things around you, get rid of the phantoms, and shoulder your pack and hike up the road to a higher endeavor awaiting the true heart that forges along; throw off the dead weights that are crushing you ever; go on up the path with a shout and a song. Come out of the cave that is darksome and gloomy where night pinions flutter, where burrows the mole; come out to the land that is glad-some and roomy, and let the old sun have a chance at your soul. Come out of the dim, distant reaches that mock you, of useless regrets, of forebodings that mar; come out of the dream-haunted hazes that block you; get into the glory of things as they are.

Eld. Wm. A. Todd, pastor of the Monett Baptist church, was in the city Monday and Tuesday soliciting funds to finish up a house of worship. He did very well.—Mt. Vernon Journal.
